Ash Tree Inventory

All Vermont communities are being encouraged to develop and ash tree management strategy in response to the oncoming threat of the Emerald Ash Tree borer. A public ash tree inventory is the first step. Learn more on how to help by reading the plan of action [HERE](#)

VT Reptile & Amphibian Atlas

Incorporating education, citizen involvement, and dissemination of information on reptiles and amphibians and their habitat. One of these projects is a completed amphibian underpass where amphibians must move from overwintering habitat to breeding habitat in the swamp, and back again. Get more info [HERE](#)

Beavers and Water Quality

How can animals commonly viewed as pests help with water quality, fish habitat and battling invasive species? [READ](#)

Vermont Forest Birds Working Woodlands Workshop Saturday, June 22, 2019, 7:30-9:30am

Learn how to identify the songs of common birds in the park's forest & then head out for a walk around the park to look & listen for birds. More [INFO](#).

Eco Calendar, a place to find local events about wildlife, wildlife habitat, ecosystems, forestry, natural areas, land stewardship, etc. linkinglandsalliance.org.

Did you know a Box turtle only roams one mile its whole life? If removed from its area/home then for the rest of its life it will roam aimlessly stressed out. If you find one injured please mark the exact spot found for the wildlife center. If a turtle is in the road you can help by moving it directly across the street in the direction it was heading.

Mission Monarch: State of the Butterfly
 Working Woodlands Workshop
 Wednesday, June 26th 5pm-8pm

The workshop will prepare you with everything you need to participate in the [2019 International Monarch Monitoring Blitz](#). From July 27th to August 4th, observers across the United States, Canada, and Mexico will be surveying milkweed plants in search of all life stages of Monarchs. Data will be collected by [Mission Monarch](#) and used to paint a better picture of Monarch populations. Learn more [HERE](#)

New England is Losing its Wildflowers
 Purple fringed orchid
 Lady slipper
 and more
